**5-29-22**

In 1 Timothy 6:6-10; 17-19 Paul warns us to guard ourselves against the love of money.

1. **We must guard ourselves against the love of money because it's dangerous to our soul.**
  - a. **Because it leads to sin and suffering (v.9)**
  - b. **Because it leads to all kinds of evil (v.10a)**
  - c. **Because it leads us away from Christ (v.10b)**

**2. Three principles that can help us guard ourselves against the love of money**

**a. Pursue contentment (vv.6-8)**

**b. Set your hope on God not money (v.17)**

**c. Cultivate a heart of generosity (vv.18-19)**

**Are you a lover of Money? Six questions to ask yourself:**

- 1.** Do you give God your leftovers and not the first fruits of your labor? Or do you give to God first and live on the rest trusting in his provision?
- 2.** Do you hoard your cash not giving it to help others or keeping so much that you are relying on it instead of God for your security?
- 3.** Do you spend more than you make and use debt to purchase things you desire but can't afford? Are willing to borrow yourself into bondage?
- 4.** Do you spend more time shopping online than you do in God's word? Are you more excited to open that amazon package than see your family when you come home?
- 5.** Are you tempted to define your success in terms of what you have rather than what you have in Christ?
- 6.** Are you willing to take a job for more money even though it will take you away from your family more and your God given responsibilities?
