

WELCOME BACK GraceKids

GraceKids

We hope you can join us on Sunday mornings

8:30am family worship time

- Register in advance for a slot-Arrive at church wearing masks (all attendees over 3 years old)
- Enjoy the worship service upstairs as a family in socially distanced seating
- Children have the option to play in a playroom under a parent's supervision (2 families per room, please)

This space allows for extra wiggling and noise while still having the feel of worshipping with other families in the church

10:30am Charging Up and Plugging In

- No advanced registration needed
- Arrive at church and find a space in the field.
- Visit the outdoor check-in station to print nametags for the children who will attend classes.

0-5 year olds

- Masks must be worn at all times in the building (ages 3 and older)
- Children may be dropped off upstairs for playtime, Bible stories, songs and games at the start of the service
- Pick up children at the conclusion of the service

1st-6th graders

- Masks must be worn at all times in the building
- Children will be dismissed to go to class before the sermon begins
- Plugging In will be held in the sanctuary with 6 foot social distancing between households
- Pick up children at the conclusion of the service

This option allows for children to attend classes indoors while their parents attend the worship service outside.

GraceKids Protocols

Please read before attending programs

Out of consideration for the church family, please monitor your family for signs of illness before attending GraceKids programs and stay home if you are ill.

All participants in GraceKids activities are required to wear masks if they are over the age of 2. Masks must be worn at all times while in the building. If you forget a mask, we have a supply at the welcome desk in the lobby.

When possible we strive to maintain 6 feet of distancing between children of different households, however, this is not always realistic. Masks help to mitigate the spread of germs when children are in close proximity to one another.

Toys and playrooms are sanitized after every service and toys are rotated to ensure cleanliness.

Hand sanitizer is available for use in all children's ministry areas.

When you arrive at a GraceKids program, please make sure your child has used the restroom before dropping them off.

Presently, we are not serving any snacks during GraceKids programming. Children are encouraged to bring a water bottle labeled with their name.

Children attending a class during the 10:30 service need to be checked in at the start of the service using the Electronic Check-In. We will have a check-in station available outside for convenience.

It is our sincere desire that your family will find a comfortable way to worship at Grace Bible Church. We know that personal convictions vary greatly among our church family so we ask that you love, honor and respect those around you by adhering to these policies.
